Specialist School in Languages & Music,  
Maths & Computing

Headteacher  
Ms S.C. Roberts B.Ed.Hons., NPQH.

June 2011

Dear Parents/Guardians,

I thought it would be useful for you to have some reminders related to activities taking place later this term.

**Tuesday 28<sup>th</sup> June**

Year 11 into Year 12 Induction: the rest of the school will be dismissed at 12.00pm.

**Thursday 30<sup>th</sup> June**

You may have heard that two of the teaching staff unions, NUT and ATL, have called a strike on this day. I have checked the timetables carefully and reluctantly I will have to close the school to students as I will not be able to ensure their health and safety.

**Friday 1<sup>st</sup> July**

Year 13, their parents and staff will be celebrating the students' achievements in school at the Graduation ceremony and breakfast. The rest of the school will start at 10.30am on this day.

**Thursday 7<sup>th</sup> and Friday 8<sup>th</sup> July**

The school will celebrate Founders' Day on 7<sup>th</sup> July at St Mary's Church. Pupils must arrive at the church by 6.45pm for registration. The service will finish by 8.30pm. All parents and carers are cordially invited to attend. School will not be open to students the following day.

**Friday 15<sup>th</sup> July**

Year 12 term ends on this date.

**Tuesday 19<sup>th</sup> July**

Sports Day will be held at the school field and will start at 10.30am. All students should make their own way to the field on Bellingham Road. Parents are invited to attend and we anticipate the day finishing at approximately 2.30pm.

**Wednesday 20<sup>th</sup> July/Thursday 21<sup>st</sup> July**

School will break up for the summer holiday on Wednesday at 12.45pm. Thursday is an inset day and there will be no school that day.

Thank you for your support with our recent uniform checks. The girls' appearance has certainly improved. I know you will continue to support us in this area.

I have a message from the school nurse who says that now summer is here and trees and flowers are producing pollen she has noticed an increase in the number of pupils coming for hay fever treatment. It is essential that pupils take their medication before they come to school as most hay fever treatments are long acting and should provide relief throughout the school day. This is especially important if students are going on a school trip or doing sports outside.

Yours sincerely,

Ms Sue Roberts  
Headteacher
