Headteacher
Ms S.C. Roberts B.Ed.Hons., NQOII

28/4/10

Dear Parents,

Now that summer is here and the trees and flowers are producing their pollen, I have noticed an increase in the number of pupils coming for hay fever treatment. It is essential that the pupils take their medication before they come to school as most hay fever treatments are long acting and should provide relief throughout the school day. This is especially important if your child is going on a school trip or doing sports outside as I won't be there to administer any treatment.

If you would like to speak to me regarding this please call me on 0208 690 3710 x 290

Sarah-Jane Durman

School Nurse
