March 2011

Dear Parents

You are invited to the Options Evening for Year 9 parents on:

Thursday, 17th March 2011 from 5.00pm – 7.00pm in the Main Hall at the top site

This is a very important meeting as it is the opportunity to discuss the most appropriate subjects for your daughter to choose for her Year 10 and Year 11 course. You will be able to follow up comments on her recent report with Heads of Department, particularly with a view to her future study. At 5.00pm there will be general talks on GCSEs, careers and the transfer to Upper School.

Your daughter will be given the booklet 'Options', giving detailed information; please bring this to the meeting. Heads of Department will be able to give you additional guidance. We hope that this will help you to choose the course which is best suited to your daughter's interests and abilities. You can also have further discussions with her Form Tutor, Head of Careers and the senior staff. Miss Koen will give a short presentation outlining the KS4 Mathematics programme and the resources available to support the students' progress. I will also be talking about the English Baccalaureate, which you may have heard about in the press.

This is a very important event in your daughter's school career, and we hope that you will be able to come. At this meeting you will be given your daughter's Options Form.

Yours sincerely

Ms S Roberts
 Headteacher
