18th January 2010

Dear Parents/Guardians

Thank you for your support in sending your daughter/ward into school over the recent difficult weather. I was pleased that we were able to remain open most days. The day we had to close was because the parks department ran out of grit so we were not able to make the path between the two buildings safe whilst it was snowing.

It would appear that the snow is over for the present so I would like students to return to proper uniform. From Wednesday please ensure that your daughter/ward comes to school in navy, black or brown shoes and plain navy or black coats. Students may wear boots to school if necessary and change into their school shoes on arrival. Scarves should be navy blue, black or white.

Could I state once again that students should not be dropped at the top site, it is dangerous. During the snow period we very nearly had an accident because of this. Being late is not an excuse – please drop students either on Adelaide Avenue or before the green gates on Eastern Road.

Thank you for your support

Yours sincerely

Ms S C Roberts
Headteacher
