20th April 2010

Dear Parents/Guardians

You and your daughter are warmly invited to attend Year 10 Parents' Evening on Thursday 29th April from 5.00pm until 7.00pm in the TLC.

This will be an opportunity for you to discuss with subject teachers your daughter's progress in her examination and non-examination subjects. At this stage in her GCSE course both homework and coursework are important factors to your daughter's success. This year you have already received an interim report (November '09) and a full written report (March '10). We are sure you found the reports useful and informative.

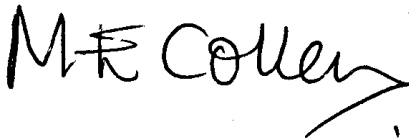

Please try to keep discussions to an absolute maximum of 5 minutes; some teaching groups are 30 in size. If further time is needed we are sure that you will be able to make a separate appointment with the member of staff concerned.

Good and full attendance at school, coupled with a motivation to learn is a necessary requisite for thorough understanding and future success. Please ensure that during the remainder of Year 10 and throughout Year 11 your daughter attends school regularly and is punctual.

May we take this opportunity of thanking you for your continued support and help both to the school and to your daughter's learning. The school uniform rules have not changed and we would appreciate your help in trying to uphold our high standards in this. We look forward to seeing you at the Parents Evening.

Towards the middle of June students will be sitting the Year 10 school examinations and results will come home to you at the end of the summer term. Year 10 examination timetables for school examinations will be available closer to the exam week and pupils have already received the timetable for GCSE modules and examinations to be sat this year (Maths, Science & RS).

Yours sincerely,

Mrs M Collen
Assistant Head Teacher
Head of KS4

Ms J White
Head of Year 10
