January 2010

Dear Parents

As you are aware, your daughter has recently had, or will shortly be having an interview with a senior member of staff to discuss her progress to date, and her sixth form application. We are pleased to say that the initial feedback from these interviews has been very positive.

The Year 11 Consultation Evening when you can meet all subject staff and discuss subjects separately, including examination entries, will take place on Wednesday 27th January 2010 in the Leathersellers Centre (Adelaide site) from 5.00 – 7.00 pm.

We were encouraged by the written reports which you should have received last term; it might be helpful to bring this full report with you to the meeting. We are sure that as long as your daughter works consistently hard over the next four months she will achieve her best. The key to learning is good understanding. You should have also received your daughter's mock examination results and potential GCSE grades last term. On the whole the target grades look very promising.

The beginning of the Spring term will continue to be busy. We have a consultant in on Tuesday 12th January to go through Revision Strategies with Year 11. There are three separate science exams for the triple Scientists in January as well as a Maths resit Module for some students and an important Maths Module on 8th March.

I hope that you were able to attend the Year 12 Information last November. Soon we should have the split for blocks so you and your daughter can check that the subjects "fit".

I would be grateful if you could complete and return the attached parental survey.

Yours sincerely

Mrs M.E.Collen
Assistant Head teacher and Head of KS4

Reply Slip:

Year 11 consultation Evening (Parents Evening)

Please complete this reply slip and return it to the form tutor as soon as possible.

Thank you.

Pupil's name: _____

Form: _____

I/We accept / are unable to accept the invitation to the Year 11 Consultation Evening on Wednesday 27th January 2010.
