Dear Students and Parents

I just wanted to remind you that the leaving date for year 12 students taking the Health and Social Care Level 2 will be at the end of term, Wednesday 21st July. This is a slight change from the date on our original calendar.

The students are expected to stay in school until their folders have been moderated by the external moderator who will visit the school in July. Students must be in school at that time so that they can present their work.

Can I also take this opportunity to remind you that students following the Level 2 course must gain either a Merit or a Distinction in the Level 2 Certificate if they are to stay at Prendergast and study the Level 3 course. They also need a C grade in GCSE English, a D grade in GCSE Science and a GCSE pass grade in Mathematics.

All Health and Social Care year 12 students have now had the opportunity for a Connexions interview and have had time to think about and make plans for the course they want to study next year.

Please do not hesitate to contact me if you wish to discuss any of the above.

Yours sincerely
