Specialist School in Languages and Music

Headteacher

Miss E. Pienaar M.B.A., B.A., F.R.S.A.

Deputy Headteacher

Ms S.C. Roberts B.Ed.Hons

September 2007

Dear Parents/Carers

Your daughter may have told you that we have been reviewing our behaviour policy to ensure it was clear and consistent.

We did extensive consultation with students, staff and parents and have now implemented the policy which we would like to share with you.

It is of course based on our aims which are written on page 4 of your daughter's school diary, that is we wish everyone to achieve their potential in all areas of the school in an atmosphere of respect.

There are now praise stickers given to girls whose work or efforts deserve reward. These will be totalled and where appropriate will be shared through letters home, news letters and to help with the selection of school prizes.

A clearer sanctions procedure has also been instigated. This is based on levels. The levels go from a reprimand at level 1 to exclusion at level 5. There are behaviour reports which support this to enable parents/carers to monitor, with the school, their daughter's/ward's behaviour.

A full explanation of this system with the aims and other helpful information about the school are printed in each girl's diary. When you are signing her diary every week please have a look at the praise/behaviour pages.

If you have any queries please don't hesitate to contact me, your daughter's/ward's Head of Section or Head of Year.

Yours faithfully

Ms Sue Roberts
Deputy Head

Hilly Fields, Adelaide Avenue, London SE4 1LE
